This Award Materials is brought to you for free and open access by the College of Science & Engineering at ScholarWorks @ SeattleU. It has been accepted for inclusion in Methodology for the Synthesis of Structurally Homogeneous N-Linked Glycopeptides by an authorized administrator of ScholarWorks @ SeattleU.

Award Metadata: Methodology for the Synthesis of Structurally Homogeneous N-Linked Glycopeptides

Project Title	Methodology for the Synthesis of Structurally Homogeneous N-Linked Glycopeptides
Principal Investigator	Joseph Langenhan
Co-Principal Investigator(s)	N/A
College, School, or Division	College of Science & Engineering
Funder	National Institutes of Health (NIH)
In Collaboration With	N/A
Funder Type	Federal
Award Date Range	09/01/2015-8/31/2019
Award Amount	\$231,054.00
