This Award Materials is brought to you for free and open access by the College of Science & Engineering at ScholarWorks @ SeattleU. It has been accepted for inclusion in Collaborative Research: Water Waves - Nonlinearity, Dissipation, and Forcing by an authorized administrator of ScholarWorks @ SeattleU.

Award Metadata: Collaborative Research: Water Waves - Nonlinearity, Dissipation, and Forcing

Project Title	Collaborative Research: Water Waves - Nonlinearity, Dissipation, and Forcing
Principal Investigator	John Carter
Co-Principal Investigator(s)	N/A
College, School, or Division	College of Science & Engineering
Funder	National Science Foundation (NSF)
In Collaboration With	N/A
Funder Type	Federal
Award Date Range	07/15/2017-06/30/2020
Award Amount	\$115,934.00
