Academic Costume

The caps, gowns and hoods universally worn by faculties and candidates for degrees at graduating exercises are a costume dating back to the Twelfth Century. In medieval days the scholars were clerics; the buildings were cold; capes and hoods were required for warmth, the robes of scholars were similar to the cassocks of the clerics.

In the course of years of development, caps with tassels have replaced capes for the head covering, the hooded cape has been modified into the present hood, and the gowns with long flowing sleeves have been redesigned to indicate the character of the degree of the wearer. In 1893, a student movement in the United States endorsed academic apparel as overcoming awkwardness and difference in dress at graduation exercises and resulted in a standardization of academic costume in this country.

The Intercollegiate Code, adopted in 1895, recognizes three styles of gowns: a bachelor's gown, a master's gown, and a doctor's gown. The differences in these gowns are mainly in the cut and shape of the sleeves and in the trimming. Hoods are also recognized for each of the above degrees and vary in shape, size and length.

The shell of the hood matches the black material of the gown, and is lined with the color or colors of the institution conferring the degree. The velvet bordering of the hood is of a color indicative of the field of learning to which the degree pertains. The Oxford cap, proper for all degrees, is worn both indoors and outdoors with academic costume. The tassel, worn over the left eye once the degree is conferred, is also symbolic of the degree and conforms to the code of colors for hood trimming. Prior to the actual conferring of the degree the tassel is worn over the right eye. Holders of doctor's degrees are entitled to wear a gold tassel. The tassel of a bachelor's degree indicates the field in which the degree is granted. The color for each field of learning follows:

Arts, Letters and Humanities	White	Library Science	Lemon
Business	Olive Drab	Medicine	Green
Dentistry	Lilac	Music	Pink
Economics	Copper	Nursing	Apricot
Education	Ice Blue	Philosophy	Dark Blue
Engineering	Orange	Physical Education	Sage Green
Fine Arts	Brown	Public Affairs	Peacock Blue
Journalism	Crimson	Science	Golden Yellow
Laws	Purple	Theology and Divinity	Scarlet
