or not to be
Notes - not included in original VSS.

Chap I P.1 - Heading (Cap) The psych. foundation of the Sensorial Materials - stands or not?

P.1. Note: at beg. or end quotation "There is nothing in the intellect..." (Aristotle) - stands or not?

P.4. Note: refer to Activities School - doubtful if stands!

P.18. "like God's spies" rest of quotation missing.

P.25. First paragraph of Sensorial Geometry is different from top copy - to my incredulous gaze! Which do you choose... I now realize there are 3 pages duplicated & unfortunately it was the obsolete version we corrected. However, only P.25 now needs final approval from you.

Chap. IV P.1. ① & ② do not seem to refer to anything.

P.54 The child in (or and) the Church? Cap to child?

Chap [N.B. Barry writes to say Michael finds there is complete ignorance of all Montessori education and a desire to know more. She has apparently written an article on general lines & sent it off. Now asks me for a spare photo of Dr. V. and a ^{blend} copy of "Child in the Church" - neither of which I've got, but perhaps you would like to helpher...)

Chap V. p. 10 - ① refers to what?

Chap VI. p. 11 ① & (X) is ref. certain to be XIV eventually?
c

p. 39. (1) what is reference

● Chap VIII p. 14. Not clear to me & afraid I don't remember exactly what is to be cut or remain in last paragraph. Also footnote referring to it

p. 39 What does the (x) refer to.

p. 40 ditto.

p. 44 4th line from bottom is it de or da capo?

Chap. IX p. 10 - Last word on page: not knows, I remember from our doing it together, and no other word came up then. trials? opportunities? challenges?

p. 24 - You suggested I should write this footnote on lines you roughly (a very quickly!) sketched, so that I am not at all sure that I caught your meaning. In fact the more I try to compose something on what I remember, the more entangled I become...
So sorry, but I must pass it back to you

ChapX	Page 29.	(1)	Footnote ?
	P 46	(1)	" ?
	P. 94	(1)	" ?

Monte Reberon

Church in Barcelona

Walls furnished with beautiful damask hangings, delicate columns with soft reflections. Curtains to windows opening & shutting easily; that water stands low down; comfortable chairs (armchairs) so that you sit long without fatigue

Environment of Church Appeals to Children

So made for repose, for calm, for harmonious vibrations of ones being - who wd. think the children would like it

But the adult crowd disturbs their rhythm - and cries - is carried out crying still more -

How to please these blessed children.
