GENERAL INFORMATION

LOCATION--Seattle University, a co-educational institution, is located at the corner of Broadway and Madison, five minutes from the heart of the city of Seattle.

LENGTH OF CLASSES--Classes will run a full 60 minutes in length, with a ten-minute break between classes. The first morning class will commence at 8:00 A.M. A full quarter's credit can be gained in this session.

ADMISSION--Admission as a Regular Student.

Those who are not yet enrolled in Seattle University but desire to begin their studies as regular students and enter at the Summer Quarter must make formal application for admission to the University. The regular application forms may be obtained from the Office of the Registrar upon request. Applications and transcripts must be on file in the Office of the Registrar by June 1.

ADMISSION FOR THE SUMMER QUARTER ONLY--Those students who are not presently enrolled in the University and plan to attend only during the Summer Quarter and are not candidates for a degree from Seattle University should fill in and return the Notice of Intent to Attend the Summer Quarter furnished as the last page of this bulletin. This form should be filed as early as possible.

REGISTRATION--Registration for all Summer Quarter classes will be held in the Pigott Building on Saturday, June 21, 9 A.M. to Noon and 1 to 3 P.M. Students are to report for registration according to the schedule printed below. Only a certain number may be registered during a given period; hence this plan has been devised to benefit all concerned and to facilitate the entire registration procedure.

Members of the Religious should be guided in reporting for registration by the initial letters of their family names. The Religious should also register by their family names since the University records are so maintained.

Registration Reporting Schedule

9:00 A.M. to Noon - Saturday - All students whose last names begin with the letters A through M.

1:00 P.M. to 3:00 P.M. - Saturday - All students whose last names begin with the letters N through Z.

All registrations are to be accomplished in person.

LATE REGISTRATION--Any registration completed after Saturday, June 21st, is a late registration and the \$5 late fee will be charged. Tuesday, June 24th is the last day for late registration.

AUDITORS--Adult students who desire to pursue work without reference to a degree, in subjects of special interest and for which they are properly qualified, may register as auditors. They will not be held responsible for the work expected of regular students, will not be admitted to final examinations and will be given no grade or credit for the course.

Charges for courses audited are the same as the charges for the courses when taken for academic credit.

WITHDRAWAL--Withdrawal from a course must be reported at once to the Office of the Registrar and a Withdrawal Card filled in. Unauthorized withdrawal from a course will result in the failing grade of "EW" for the course.

Students leaving the University before the completion of a session must notify the Office of the Registrar of their withdrawal at the time of withdrawal.

All students will receive a copy of their grades at the end of the Summer Session.

CAFETERIA--The cafeteria will remain open from 7:00 A.M. to 2:00 P.M. during the Summer Session. A complete hot meal is served at lunch.

EMPLOYMENT--On campus, a full-time placement bureau serves as a clearing-house between employers and prospective student employees. Seattle University's proximity to downtown Seattle enables convenient transportation for employed students.

LIBRARY FACILITIES--The library will be open on all class days from 8:00 A.M. to 5:00 P.M., and on Saturdays from 9:00 A.M. to 4:00 P.M. The main Seattle Public Library is nine blocks from the University.

VETERANS--Veterans planning to attend the 1958 Summer Quarter under P. L. 550 (Korean Bill) should obtain a certificate of eligibility from the Veterans Administration before enrolling, if possible. Veterans under this law are required to pay all expenses and will then receive a monthly training allowance from the Veterans' Administration.

Further information can be obtained by contacting the Office of the Veterans Coordinator on the campus.

TEACHER TRAINING--Seattle University's teacher-training programs have been approved by the State of Washington as qualifying students for the teaching certificates as granted by the State Department of Public Instruction.

The School of Education confers the degrees Bachelor of Arts in Education and Bachelor of Education.

The School of Education also offers courses on the graduate level leading toward the degrees of Master of Arts in Education and the Master of Education.

RECREATION--Seattle University is situated in one of the nation's great playground and vacation areas. The Evergreen State is famed for its scenic beauty of the Cascades, Olympics, Mt. Rainier, Puget Sound and Lake Washington. This location provides ideal swimming, sailing, fishing, and mountaineering. Within a few minutes from Seattle University's campus, you will find many fresh and salt-water beaches, parks, lakes, golf courses and many institutions of general interest. Among these institutions is the Seattle Art Museum, The Charles and Emma Frye Museum, the Woodland Park Zoo. The eighth annual Seafair will be held early in August. Trips to many of the beautiful areas surrounding Seattle can be taken within a few hours and others are ideal week-end trips--all part of the Northwest vacation land.
