Honorary Degrees

VILEM SOKOL

Vilem Sokol, you are a musician and symphony conductor whose tireless leadership and immense talent has enriched the lives of thousands.

Conductor and musical director of the Seattle Youth Symphony since 1960 and a member of the music department faculty at the University of Washington since 1948, you have been pivotal in developing and encouraging the musical talent of young people in the Northwest.

Your ability to inspire young musicians through high expectations, gentle caring and effervescent enthusiasm has led to the international acclaim of the Seattle Youth Symphony and has prompted many Seattle Youth Symphony members to pursue and excel in professional music careers.

During your tenure at the Seattle Youth Symphony, you have added to the rich tapestry of culture in the Northwest by boldly premiering many new pieces by important contemporary composers.

As a frequent guest performer with the prestigious Philadelphia String Quartet, and a guest conductor with symphonies in Canada and throughout the United States, you have served as an ambassador and shared with peoples of other regions your special artistry.

Upon you, Vilem Sokol, Seattle University proudly confers the degree, Doctor of Humanities, *honoris causa*.

SR. MARY BRIDGET FLAHERTY, R.S.C.J.

Sister Mary Bridget Flaherty, your life is an illuminating example of a commitment to serve others in the name of God.

You reached a milestone last summer as you celebrated your Silver Jubilee as a Religious of the Sacred Heart of Jesus and marked twenty-five years of leading people with faith and wisdom, always reflecting God's love.

As newly appointed Chancellor of the Archdiocese of San Francisco, the first woman named to such a high post in a major Catholic diocese, your special gifts are applied for even greater service to the Church and its people.

In your new post, your wisdom helps to determine the future direction of the Archdiocese of San Francisco by advising the Archbishop on policy and determining individual parish needs.

Throughout your career as a religious educator, financial administrator, health care provider and parish staff member, you have served as a model to inspire and guide all whom you touch.

Upon you, Sister Mary Bridget Flaherty, Seattle University proudly confers the degree of Doctor of Laws, *honoris causa*.

GLENN TERRELL

Glenn Terrell, you are a University president whose career has been marked by leadership, professionalism and, above all, deep and genuine concern for the well-being of your students.

During your eighteen years as President of Washington State University, you have earned the respect and admiration of your peers, colleagues and thousands of students. This respect was recently manifested with the establishment of the Glenn Terrell Presidential Scholarship Fund at Washington State University.

Under your leadership, Washington State University has experienced tremendous growth in enrollment and academic facilities; and in prestige as the faculty garner more research grants, excel in national competitions and head more national professional organizations.

In the State of Washington, you have been a champion of higher education, urging state law makers to remain strong in their financial support of our state's colleges and universities and recognize the role of the state's independent schools.

As an officer of several national organizations, including terms as President of the National Association of State Universities and Land-Grant Colleges and Chairman of the Western Interstate Commission for Higher Education, your influence has been felt beyond state borders.

Upon you, Glenn Terrell, Seattle University proudly confers the degree of Doctor of Laws, *honoris causa*.
