THE TIME-TABLE

(A free composition - translated - from a Berlin Montessori School by a child aged 6-7 years)

Once there was a time-table . It was printed all wrong . One day a man did not know the way , so he looked it up in the time-table . But another man , who knew the right route , said "That time-table is all wrong "

So they said to the dog , "Fear up that time-table "

"I don't want to " , said the ~~god~~ dog .

So they called in some cats , and the cats and the dog together tore up the time-table ,

After that they bought a new ~~time-table~~ .

THE SNAIL (from an Italian Montessori school in Rome - translated)

There was once a snail who was walking in a meadow , and in the meadow was also a little child . The child said to the snail "Why do you walk so slowly ? " . The snail replied "Because I carry my house on my back "

Poor snail ! How he perspired !
