# Students Offered Library Decision

## Administration Announces Tuition Raise

Volume XXX Seattle, Washington, Wednesday, January 24, 1962 No. 4

**ICE CAPERS:** The recent cold spell, with temperatures down to 16 degrees, teamed up with the Broderick fountain to sculpt an icy beauty on campus. The ice built up around the fountain and overflowed onto the grass.

We are compelled to raise tuition \$20 per quarter starting next year, the Very Rev. A. A. Lemieux, S.J., president of S.U., announced to a group of students, Monday. We announce this tuition raise with great reluctance, Father said, but even with the raise, our tuition will remain one of the lowest on the coast. Tuition will be \$185 per quarter next fall quarter.

Father President gave two reasons for the increase in tuition: lay faculty salaries and increasing library facilities.

**WHEN** explaining the reasons for the faculty salary raises, Father President noted that the median of the salaries at S.U. is slightly below the national median for all universities in the U.S.

When comparing S.U. teachers' salaries against those of the Pacific Coast region, S.U. is approximately 25 per cent lower.

Father President explained that the proposed faculty salary scale will also begin this fall. Dean's salaries will be raised to a low of \$11,000 and a high of \$18,000. Professors will receive a low of \$9,000 and a high of \$15,000.

**ASSOCIATE** professors will have a low of \$8,000 and a high of \$13,000. Assistant professors will receive a low of \$7,000 and a high of \$11,000.

Instructors' salaries will range from \$5,000 to \$7,500.

This raise in salaries will not be able to go into effect all at once, so the University will graduate the raise over a period of six years.

The increase rates per year for six years will be: Professor: with Ph.D., \$900; without, \$700; Assoc. Prof.: with Ph.D., \$700; without, \$500; Asst. Prof.: with Ph.D., \$400; without, \$300; Instructor: with Ph.D., \$300; without, \$200.

Merit raises can be earned by a faculty member for: (1) book published in his field, \$500; (2) article published in scientific journal, \$100; (3) research project completed, \$500; (4) outstanding excellence in teaching or counseling, \$200.

The second reason given for the raise in tuition is that the library operational costs must be doubled, Fr. President said. Although no tuition money goes for building, Father said, we need more books and funds to extend library services, possibly keeping it open on weekends.

Comparing S.U.'s new \$630 total for tuition and fees with other schools on the West Coast, Father President said, we are among the lowest.

**THE TOTALS** of tuition and fees from other schools on the Coast are: Seattle Pacific, \$666; Puget Sound, \$810; Pacific University, \$700; Pacific Lutheran, \$650; Gonzaga, \$640; Portland University, \$668; Santa Clara, \$1,000; Loyola, \$800; Stanford, \$1,260; and University of San Francisco, \$720.

### Fr. Bischoff to Lecture On Switzerland, Paris

A meeting for students interested in taking S.U.'s European tour this summer has been scheduled for 7:30 p.m., tomorrow, in Xavier lounge.

Fr. William J. Gill, S.J., tour guide, said that Fr. Anthony Bischoff, S.J., will lecture and show color slides on Switzerland and Paris.

## Chieftain to Open Evenings

The Chieftain will be open in the evenings for students to gather and have coffee and sandwiches, Dave Irwin, ASSU president, told The Spectator yesterday.

The Chieftain will be open Sunday through Thursday from 7 to 10:30 p.m. Saturday nights, Irwin said, they hope to have informal student discussions on assigned topics. Saturday nights, the Chieftain will be open from 7 p.m. to midnight.

**THE MARYCREST** dining room will have a similar set-up, Irwin said. The room will be open from 9 to 10:30 p.m., Sunday through Thursday, and

from 7 p.m. to midnight on Saturday night.

Both the Chieftain and Marycrest will have vending machines for food service. The normal food facilities will not be in operation.

Students can gather to sing, argue or just talk, Irwin said. The places will be open so students will have a place to congregate in the evenings.

**THE SUNDAY** night opening might be dropped if there

isn't enough interest.

Fr. Robt. Rebhahn, S.J., dean of students, said that the students should be dressed in school attire. This means no jeans or capris.

The evening-gathering-place idea was worked out by the Student Cooperation Committee, ASSU, Fr. Rebhahn, Fr. Louis Sauvain, S.J., Miss Agnes Reilly, dean of women, and Fr. Edmund B. McNulty, S.J., business manager.

## Pathfinders Lost In the Big Woods

Joe Robinson, president of Hiyo Coulee, and two other ROTC cadet officers were lost Sunday, while at Ft. Lewis on a training exercise.

Joe and his two companions, Harrison Caldwell and Barry Wilcox, set out with a map and three compasses and orders to follow a compass bearing until they reached a point where they would find a second set of directions.

The course included a total of four sets of instructions.

Thirty cadets in groups of three were sent out into the woods. Twenty-seven came back. The boys were found sometime later near the Ft. Lewis air field by a rescue party. All three had had training this year and last year in reading military maps and using military compasses.

## Holy Week Retreat Lengthens Vacation

Students who have made or who will make a weekend retreat before Holy Week will have an extra two days of Easter vacation. The decision, made at the academic council meeting, Monday, was announced to The Spectator yesterday by Fr. Louis A. Sauvain, S.J., student chaplain.

The annual school retreat will be April 18-19, Wednesday and Thursday of Holy Week, Fr. Sauvain said. Catholic students who have failed to take advantage of weekend retreats before this time will be required to make the school retreat.

**EASTER VACATION** was originally scheduled to begin on Good Friday, Apr. 20. The day on which classes resume remains the same—Tuesday, Apr. 24.

Fr. Robert Rebhahn, dean of students, said that all Catholic students must make this retreat unless they have made a closed retreat since the opening of fall quarter. Fr. Rebhahn stated that "failure to observe this University regulation renders a student liable to suspension or dismissal."

Fr. Sauvain said the winter-spring quarter retreat schedule will remain the same. On-campus retreats have been scheduled for the following weekends: Jan. 27-28; Feb. 10-11; Feb. 17-18; Feb. 24-25; Mar. 3-4; Mar. 10-11; Mar. 31-Apr. 1; Apr. 7-8 and Apr. 14-15.

**FATHER SAID** both men's and women's retreats still have vacancies for all of these weekends, but he urged students not to delay in signing up.

Sign-up sheets are available in the chaplain's office, 1st floor, L.A. Bldg., or Sodality office, 2nd floor, Chieftain.

S.U. will have a new library soon if the students want one, the Very Rev. A. A. Lemieux, S.J., president of S.U., told a planning committee of 60 students, Monday. The students were gathered to discuss possible ways of students contributing toward the new library.

"I am here today," Father said, "to ask for your help so S.U. can have a new library much sooner than we could without student help."

**IF THE** students want a new library soon, Father said, it could be started by next fall.

The library that the administration is planning would cost \$1,600,000. This includes the price of the building, land, furnishings and landscaping.

If the students want to raise \$800,000, Father said, the administration could go to the community to raise the other half. There is a bill pending in Congress, the Edith Green Act, which proposes to extend federal loans to schools for academic facilities, including classrooms and libraries. S.U. could borrow the money from the federal government on the strength of a student pledge.

**IF THE** students want a new library they can raise the money any way they want, Father President said. "I want the students to know that there will be a raise in tuition next year and if they want to raise money for the library, it is up to them. The students must make the decision," he emphasized.

A student committee has been set up by the ASSU to gather suggestions on: first, raise money for the new library; and secondly, what would be the best way to raise the money.

There will be a meeting at 1 p.m., today, in the Chieftain conference room to discuss what the students want to do. The meeting is definitely open to all students because they must make the decision, Dave Irwin, ASSU president, said.

**INCREASING** the student pledge was one means suggested to raise money to start the library. The students must decide on a plan which will be ratified by a student body vote.

The proposed library will probably be designed similar to that of the John Carroll University, Cleveland. The structure would probably be five stories high. Each floor would have as much space as each floor of the L.A. Bldg. Tentative plans would include facilities for 1,000 students, 300,000 volumes (as compared to 96,000 in the present library), an auditorium, conference rooms, rare-book collection and music rooms.

## 'Crest to House Visitors to C-21

Marycrest Hall, women's dormitory, will be offered to Century 21 visitors for housing during the summer, according to Fr. Edmund B. McNulty, S.J., business manager.

Father said the hall will be used mainly for delegates attending conventions in Seattle. Delegates will be charged \$5 for a double room and \$6.50 for a single room per night.

Expo-Lodging, Inc., is referring requests for lodging applicable to S.U. to Fr. McNulty's office.

## LITTLE MAN ON CAMPUS

"LET'S PLAN A LITTLE EARLIER NEXT TIME! I HATE THIS TRYING TO GET A DATE AT THE VERY LAST MINUTE."

## Letters to the Editor:

# N.S.A. Sports Story Rapped

Dear Editor:  
How anyone could miss the point as completely as Jim McBride in his approval of S.U. joining the N.S.A. is amazing to say the least.

**HIS PUERILE** attack on those of us who oppose as either John Birch Society or Minute Man sympathizers is typically a loose "liberal" distortion. Frankly, I am more afraid of the ultra-liberals (A.D., etc.), than I am of the ineffective Birchers.

It's a fact that no sensible person approves of nuclear testing, but only Nehru or the ultra-liberals indulge in the wishful thinking that as long as we don't test even in the interest of American security, that eventually the Russians will desist. The N.S.A., by taking such a stance, is unrealistic.

**I STRONGLY** urge that the faculty and administration think twice before throwing S. U. into such an extremist left-wing organization.

Jim Headley

Dear Editor:

This is an open letter to all the male students and to "Just Wondering" (Jan. 17). Yes, the female students have a complaint.

To state it in one blunt question, "What has happened to CHIVALRY at S.U.?" When the word CHIVALRY is mentioned, do the male students promptly picture some exaggerated, extreme form of courtesy that was the custom in the "medieval times" when honor and loyalty were upheld as shining ideals and knight-hood was in flower?

CHIVALRY IS A word that ap-

plies to any age—past, present, or future. It is a timeless word that implies the courtesy and respect of a man towards a woman. Women are no different now than they were hundreds of years ago. We are no stronger, bolder, or completely independent as some people try to believe.

Today, we don't expect you to put on your stainless steel suit of armor, get astride your noble white steed, and go and slay dragons for us. All we ask is that you carry our books for us once in a while; help us off with our coats—just little things that require no supreme effort on your part.

**THESE ARE** the courtesies expected of a man, and until you remember them, no woman is going to think of you as a man—you're still only a little boy.

Sincerely,  
M. C. and P. M.

Dear Editor:

After reading an article in the Jan. 17 issue of The Spectator, we were left rather confused as to the ultimate goal of the writer, as to his ultimate accomplishment, and as to the verification he must be able to present for the items so biasedly recorded. The article in question is: "Two Chiefs Missing from Road Trip" by Bob Jordan.

**FIRST, AS FAR** as we can see, Mr. Jordan's prime objective was obviously below the high journalistic endeavors we so often witness in The Spectator. Had the item been an editorial and thus the opinion of the paper or an individual, rather than a news story supposing to relate facts, this letter would have remained unwritten. However, this article was so colored with unfounded assumptions and leading questions that its merits in this regard alone, are worthless.

Second, there are only two results that could possibly occur from the article: the two men mentioned can no longer be looked upon by the student body as athletes who, as is evidenced by their performance on the court, adequately accomplish what is expected of them. The Spectator, being an informative representative of the student body, therefore the product of the school, had presented a remarkable case for any other universities or organizations who may wish to belittle it.

**THIRD, IF THERE** is any available verification of the statements by Mr. Jordan, and since the right was given to the student body to read these statements, then the right is also there to see the predications on which they are based. Therefore, we would ask Mr. Jordan to either present the facts maturely, not opinionated conclusions of the type found "Under Hedda's Hat," or apologetically retract the comments for lack of evidence, or for the predetermined remarks reaching no constructive end and succeeding only in doing damage to reputations which are actually none of our concern.

## The Cabal

The 77th session:

- allotted \$500 to the speech and drama department
- allotted \$156 for the purchase of a piano

In his officer's report, ASSU President Dave Irwin, commenting on his absence from last week's meeting (the first in over a year and a half) said with his own affable humor, "I was caught up in studying. It was kind of a kick, actually."

**MORE PERTINENTLY**, he recommended that the senate allot \$500 to the speech and drama department to put on the play, "The World of Sholom Aleichem." He also allayed any fears on the senate's part about incurring a deficit with so large an allotment. A deficit account of \$800, derived from the profits on Frosh Orientation and the first two ASSU mixers, will balance the budget nicely.

The fiscal year of 61-62 is the first in seven years that the ASSU has run in the black, thanks to the deficit fund. A point of personal praise for the current administration.

Fr. James Connors, S.J., explained in detail the need for the \$500 grant. The revised S.U. bulletin will officially recognize the speech and drama department. In his words the department and more particularly its productions will be "for the purpose of synthesis of all the liberal arts."

**THE MAIN COSTS** of the production, a comparatively inexpensive venture, will be approximately \$165 for royalties and \$150 for special lighting effects. All interested students are invited to try out for the play, a trilogy of mood studies. Because of the ASSU allotment, S.U. students will be admitted free on two of the tentative dates of April 27, 28 and 29.

Sue Hackett and Sen. Earl Angevine of the Great Piano Hunt committee found a suitable piano, reconditioned and guaranteed for two years. Thanks to the committee's efficient work, the allotted \$156 will purchase the piano this week.

**SEN. ROY ANGEVINE** introduced what inadvertently proved to be the comic relief of the evening. His motion would exclude high school students from "overcrowded" S.U. mixers. The motion would require college student body cards for admission.

Sen. Earl Angevine, speaking for the motion, said: "High school kids should be outlawed anyway. Anybody from freshmen on up doesn't want to be dancing with high school kids."

**SEN. MIKE REYNOLDS** wanted higher-class dances. "If you're going to put on rock and roll dances, that's what you'll get—rock and roll dances." He added that high school students should be welcomed at dances to promote the image of S.U.

Sen. Bob Burnham, a senator of keen insight, stated: "I have no objection to going to a dance with Sen. Angevine's high school kids; but in any case, further consideration is required." Thereupon he moved to table the motion.

The senate concurred with alacrity and adjourned with an efficiency characteristic of the entire session.

What, no editorial today? The Spectator did not print an editorial today because space was needed to inform the students of late-breaking news.

# Questions, Answers On College Etiquette

By BETTY TAYLOR

Proper etiquette, or the lack of it, often puts college students in embarrassing situations. The following column will be a frequent question and answer bout with common etiquette problems the college student faces.

Students are encouraged to send to The Spectator any questions they wish answered. Authoritative sources are used to answer the questions, including books, articles and interviews with people in the Seattle area who are considered experts on etiquette.

**1. How much notice should a boy give a girl before a formal dance, such as Homecoming?**

For any formal dance such as Homecoming, a boy should ask a girl preferably three, if not four weeks before the big date.

Why so long? Well, fellas, it's like this. Such occasions usually require a new dress. Selection of said dress usually takes a good deal of time and thought. Besides the dress, there are an infinite number of other details that must receive attention.

Also, it is somewhat of an insult to be called just days before the dance. The girl may begin to wonder if she isn't second, or maybe even third choice.

**2. How about a casual weekend date?**

For this type of date, three or four days notice is enough. It's a big help to the girl, though, if the boy has something specific in mind when he calls for a date. This gives the girl a clue as to how to dress and what to expect.

**3. Is it proper for a girl to accept a date for Saturday night when the boy calls Saturday afternoon?**

This depends entirely on the individuals involved. If the girl and the boy are quite good friends and have gone out before, it is perfectly all right. However, it is a breach of courtesy not to give the girl a little more notice. Call her Saturday morning.

**4. Is it proper for the boy to ask the girl what time she wants to be picked up?**

When asking for a date, the guy should tell the girl what time the function starts and what time he will be by to pick her up. If he doesn't tell her, the girl should speak up and ask.

# Diablos, Knockers Take Lead

Enoch's Knockers and Los Diablos posted their second victories of the season, yesterday, on the intramural court. The Knockers, behind Pat Lucci's 23 points, put down the Cellarettes 45-38, in a foul-marred contest. Harold Gecker scored 18 for the losers, who were whistled down 35 times.

The Diablos' Sam Butsch and Ed McDaniel split 28 points to lead a 44-27 win over DT's. Larry Daly led the losers, with 10.

**IN MONDAY'S** games, the Powderpuffs, trailing 16-7 at the half, came back to cut down the Woodsmen, 28-26. The other game was again decided by two points, with the Ringers out-shooting the Hawkers, 36-34.

Tim Towe was the top Woodsman, with 6. Bill Wilber rang up 20 for the Ringers, and Marty Eltrick potted 14 for the Hawkers.

Last Friday, the Golfers, led by Dave Uhlman's 11 points, set back ROTC, 36-31. The Boys got double-figure scoring from Frank Michael, Jerry Schatz and Glen Mattison to roll over the Waste-Makers, 60-26. Michael fired in 17, Schatz, 15, and Mattison, 10.

# Chieftains Score 2 Weekend Wins

A new, smooth-functioning line-up produced double weekend triumphs for Coach Vince Cazzetta's resurgent Chieftains. Friday night, S.U. corrected its early-game shortcomings to down Pepperdine, 83-66 in the Arena. The next night, in Tacoma, the Chiefs rolled up to a 12-0 bulge and wound up on top, 74-59.

Backcourtmen Jim Preston and Bob Smither delivered key showings to gear the S.U. attack. Both were hounds on defense and under the boards. Forward Ray Butler was also among the rebound leaders.

**SHIFTY ERNIE** Dunston at center, and Eddie Miles at forward, responded with stickout results. Dunston freed himself for 21 and 25 points; Miles cut loose for 25 and 31, the latter figure topping his own varsity high.

On both nights, the Waves attempted brief second-half rallies. Friday, they narrowed a 54-45 gap to 54-51, but Smither, Butler and Miles sank outside shots to put down the threat. Saturday, Pepperdine closed to five points. Miles, Dunston and Preston then shoved in 10 to check the Wave surge.

Locker-room interviews by

Spectator reporters Saturday night produced these post-game reflections:

From Coach Cazzetta—"We shot well and played excellent defense. We only committed seven turn-overs. We were helping one another out. It was a real good effort both nights, probably a little better tonight."

**FROM COACH** "Ducky" Dowell—"I think it's a fine ball club (S.U.). They're just hitting their stride. The others played good ball, but you see too much of Miles. Preston is good, but Miles wrecks us. We are a good little club, but we can't compete with your height."

**FROM EDDIE** Miles—"I've been getting pretty good shots. The guys have been screening. Everybody's hustling."

To which Tommy Shaules, restricted to the sidelines with a foot infection, concluded—"I think that was one of the best games the team's played in a long time."

## Little Chieftains Win Two; But Lose to St. Martins

The S.U. Papooses started off as if they were going to pull the upset of the season in Northwest Amateur League circles, Monday night in the S.U. gym. Faced with the front-running Ft. Lewis Rangers, who already had cut down S.U., the fighting

21, Bob Jensen totaled 20, and Frank Edel netted 12. The Army height and Jim Rhead's 26 and Jim Boyce's 24 told the story.

**THE PAPOOSES** notched a pair of wins over the weekend to stay in fifth place in the N.W. loop. The frosh posted their opening league victory, 63-57, over Bernie's Men's Wear, Saturday, at U.P.S. On Friday, Coach Clair Markey's Braves made up for an earlier defeat by polishing off S.P.C., 81-74.

Bob Jensen, with 31 points, keyed S.U.'s win over out-classed Bernies (0-6). His 19-point first-half effort helped the frosh reverse a 10-4 debit to a 33-29 advantage. When Bernie's regained a 52-48 lead, Charlie Williams picked up the slack.

## Official Notices

### INCOMPLETES

Students who have **INCOMPLETES** from fall quarter 1961 must officially remove the "I" grade by Jan. 31.

Obtain the incomplete removal card for the Office of the Registrar, pay the removal fee at the Office of the Treasurer, complete the class work and submit the removal card to your instructor. The instructor will enter the grade and return the card to the registrar.

**INCOMPLETE REMOVAL CARDS BEARING THE GRADE EARNED WILL NOT BE ACCEPTED FROM STUDENTS.**

To be considered official, the incomplete removal card is to be on file in the Office of the Registrar by Jan. 31 or the grade of "E" will automatically be entered on the student's record.

### WITHDRAWALS

Consult the bulletin boards or your copy of the winter quarter 1962 schedule for deadline dates for official withdrawals.

The last day to withdraw with a grade of "W" is Wednesday, Jan. 31.

The last day to withdraw with a grade of "PW" is Friday, Mar. 2. No withdrawals are permitted after Mar. 2. A grade of "EW," which is computed as an "E" in your grade point average, will be entered on records of students who do not officially withdraw.

Withdrawals are official when the student files the approved withdrawal card with the Office of the Registrar and pays the withdrawal fee (\$1 for each class) at the Treasurer's Office by 4:30 p.m. of the last withdrawal date. Cards or fees are not accepted after that deadline.

### SCHOOL RETREAT

The Dean of Students wishes to remind all Catholic students that they must make the annual school retreat on Wednesday, April 18, and Thursday, April 19, unless they have made a closed retreat since the opening of fall quarter. Failure to observe this University regulation renders a student liable to suspension or dismissal.

Special efforts have been made this year to give all the opportunity of making a closed retreat. Consequently, special efforts will be made to enforce the University regulation.

Fr. Robert J. Rebhahn, S.J.

Bezy emphasized that no payments will be made nor can owners claim books unless an owner's receipt is presented. Students who do not come to the office to collect their money will be contacted by A Phi O, but to these students the group will make a 25-cent service charge in addition to the usual 10 per cent commission.

Unsold books may be left with the service group for three quarters, Bezy said, but those not reclaimed at that time will become the property of A Phi O.
